Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (NEW) (*Effective October 1, 2012*) (a) In any case where the
2 termination of parental rights concerning a child or children was filed
3 in the Superior Court under section 17a-112 of the general statutes, or
4 transferred to the Superior Court from the Court of Probate under
5 section 45a-715 of the general statutes, a petition for adoption may be
6 filed by the Department of Children and Families following the
7 expiration of any appeal or appeal period, in the Superior Court that
8 granted the termination of parental rights.

9 (b) All social studies, psychological reports, and court documents
10 previously filed in the termination of parental rights proceeding shall
11 be available to the court, subject to the rules of evidence, for review
12 and consideration in acting upon the petition for adoption of such
13 child or children. The court shall, to the extent possible, protect the
14 confidentiality of the biological parents, unless such information has
15 been previously disclosed.

16 (c) The Department of Children and Families shall prepare and
 17 submit with the petition for adoption a new social study regarding the
 18 proposed adoption, which shall include, but not be limited to,
 19 information on the child or children's present welfare, medical
 20 condition, educational history and special needs, if any. The study
 21 shall contain information concerning the proposed adoptive family.
 22 All studies and reports filed with or subsequent to the filing of the
 23 petition for adoption shall be available to the family with whom the
 24 child or children have been placed with prior to adoption.

25 (d) Upon receipt of the petition and the adoption social study, the
 26 court shall set a time and date for a hearing and shall give reasonable

 32 for further investigation, issue orders of notice or take other action. At
